Section 19(b)(2) of the Act⁷ provides that, after initiating proceedings, the Commission shall issue an order approving or disapproving the proposed rule change not later than 180 days after the date of publication of notice of the filing of the proposed rule change. The Commission may extend the period for issuing an order approving or disapproving the proposed rule change, however, by not more than 60 days if the Commission determines that a longer period is appropriate and publishes the reasons for such determination. The proposed rule change was published for comment in the Federal Register on February 8, 2021.⁸ The 180th day after publication of the Notice is August 7, 2021. The Commission is extending the time period for approving or disapproving the proposal for an additional 60 days.

The Commission finds that it is appropriate to designate a longer period within which to issue an order approving or disapproving the proposed rule change so that it has sufficient time to consider the proposed rule changes along with the comment received. Accordingly, the Commission, pursuant to Section 19(b)(2) of the Act,⁹ designates October 6, 2021, as the date by which the Commission should either approve or disapprove the proposed rule change (File No. SR-NYSEArca-2021-07).

For the Commission, by the Division of Trading and Markets, pursuant to delegated authority.¹⁰

J. Matthew DeLesDernier,
Assistant Secretary.
